- 14-Repair and maintenance of buildings and machinery
- 15-Kitchen and restaurant affairs
- 16-Public services
- 17-Maintenance and green space services
- 18-Facility operation affairs
- 19-Printing and reproduction affairs

## **Health, Safety and Environment Training Courses – ISO14001 and HSE-MS - OHSAS18001 Standards in Companies**

Homogan Kar Company, Zarrin Khoshe Flour, Soliko Company, Trak Sanat, Bojan Refrigeration Industries, Unigolf Company, Sabzevar Ferrochrome, Saipa Diesel Company, Mega Motor Company, Urmia Cement Company, Isfahan Electricity Management, Tabriz Petrochemical, Aerospace Industries Organization, Saba Fam Company, Ariz Refrigeration, Dr. Obidi, Zamyad, Iran Khodro, Comprehensive University of Applied Sciences, Power Installation Company, Behesht Zahra Organization, Various Water and Wastewater Districts of Tehran, Fanap Company

## **HSE Courses for Contractors, Risk Assessment, IMS, Familiarity with Wastewater Treatment Systems, EIA Project**

Saipa Diesel, Water and Wastewater Districts of Tehran, Sima Choob, Industrial Molds Company, Mehr Sazan, Mega Motor, Terp, Basic Health and Safety Training Courses, Standards ISO45001, Risk Assessment and Work-Related Accidents at Khajeh Nasiruddin Toosi University

## **Ergonomic Principles in the Workplace**

Niroom Gostar Company (Tehran Head Office), Dr. Obidi Pharmaceuticals, Perak Company

## **Prevention and control of accidents caused by gas poisoning - accidents caused by work - safety in electricity - safety in welding and cutting General fire extinguishing, drilling and excavation safety in companies**

Khatam Anbia Headquarters (Nirogostar Institute): Project of the 6th line - first section, Khatam Anbia Headquarters - Nirogostar Institute - Project of the 6th line - second section, Project of the 6th line - fourth section, Project of the 6th line - Dehgolan branch, Project of the 7th line, Project of the 26th line - Arak section, Project of the 6th line - Gilangharb, Project of the 6th line - Shiraz water supply, Project of the 6th line - Dehloran Abdanan branch, Project of the 6th line - Shahid Hajilo preparation and etc

## **Rescue and relief, operations in accidents, sewers and manholes, methods of hazard identification and risk management, harmful factors in the workplace, hydraulics for fire engineers, fundamentals of crisis management in companies**

Tehran Province Industrial Estates Company - Shams Abad Industrial Estate, Cheram Shahr, Parand, Salarieh and Nasir Abad

## **Safety and health, first aid, firefighting, personal protective equipment, occupational safety and health of employees with a focus on occupational safety and health accreditation in pharmacies, pharmaceutical warehouse workers, training for health and medical secretaries, safety in warehouses, ethics of respecting clients**

Zarrin Khoshe Flour, General Department of Treatment of the Social Security Organization, Tous Polyclinic, Khandan Hakim Polyclinic, Shahid Heydari Polyclinic, Abu Rayhan Polyclinic, Shahryar Hospital, Shariat Razavi Hospital, Fayyaz Bakhsh Hospital, Heydari Polyclinic, 31 Aban Polyclinic

# Some of the activities carried out by the company's experts in the field of HSE

**Monitoring the health, safety and environment (HSE) status of places owned and executive activities of the municipality :**  
Tehran City Crisis Management - North Zone and South Zone

**Providing emergency response services at :** Petro Vostok Cheshmeh Khosh Company

**Identification and evaluation of harmful factors of the work environment (physical-chemical and ergonomic) in the companies:** Pars Energy Special Economic Zone Organization, Bandar Imam Petrochemical, Noori Petrochemical - Tondgoyan Petrochemical - Mobin Petrochemical Persian Gulf Energy, Tidewater Khuzestan, Niroo Mokremeh, Shahid Fakuri Aerospace Industries, Shahid Chamran Aerospace Industries, Shahid Doran Industries, Meraj Industries, Julai Marine Industries, Ariz Poya Sanat, Arman Jin, Tehran Tobacco Complex, Jahan Pars Company (Aslavieh), Saipa Press Company, Zarrin Khoshe Flour, Tehran Bakhtar Flour, Red Flour, Saba Niroo Company, Haffar Chah Junob Company, Shahab Sang Company, Pasargad Oil Company, Behran Oil, Iranol Oil, Khatam Al-Anbia Construction Site (Niroo Gostar Institute), Specialized Marine Holding - Makin Institute, Khatam Al-Anbia Construction Site (Shahid Rajai Institute), Anataf Sane, Zamzam, Fararang Aria, Tehran Silo, Sepehr Abar Asia, Pars Steel Complex, Nuclear Waste, I-Soda, Islamic Republic of Iran Railways, Jahan Crystal, Persian Gulf International Transportation, General Mechanic, No Sood Tunnel, Morghak, Fararang Aria, Chap Sajjadi, Iran Khodro Diesel, Tehran Buses, Cruise 1-2-3, Dr. Obidi, Shuga, Iran Glass, Aprin, Palin Tech, Firoozabadi Hospital, Kasra Hospital, Iranmehr Hospital, Azadi Hospital, Maymont Hospital, Shahriar Hospital, Sorena Hospital, Valiasr Hospital - Ziaian Hospital, Foruzan Electric, Pardis Rooz, Shams Omid, Luleh Gostar Khademi, Jahan Termez, Knaf, Pars Chair Making, Avandplast, Sima Choob, Behriz Foundry, Sarvak Azar, Takab Niroo, Raja Rail Transportation, Municipality of Region 1, Municipality of Region 8, Municipality of Region 9, Municipality of Region 18, Municipality of Region 20, Water and Wastewater of the Region 2, Water and Wastewater of Region 3, Water and Wastewater of Region 5, Water and Wastewater of Region 6, Nesb Niroo Company, Sakaf Company, Tehran Cement Company, Behesht Zahra Organization - Aliferd Company (San-Ich) - Shahrokhi Clothing Company - Iranian Refractory and Refractory Company - Sahand Grain Company, Fanap Company

**Design and construction project of ergonomic chairs for production personnel:** Dr. Obidi Pharmaceuticals

**Human resource management in companies:** Water and Wastewater Company of Regions 1, 2, 3 and 5 of Tehran - Khajeh Nasiruddin Toosi University - Behesht Zahra Organization

**Diagnosis of musculoskeletal disorders in companies:** Noori Petrochemical Company - Tondgoyan Petrochemical Company - Mobin Energy Petrochemical Company of the Persian Gulf

**Emergency preparedness in:** Thirteen combined cycle power plants of MAPNA Company throughout the country and its headquarters in Tehran

**Establishment of HSE system in companies:** Zarrin Khoshe Flour Company - Ariz Pooyai Sanat Company - Trak Sanat Company - Hamgan Kar Company - Pars PSS Chair Manufacturing Company - Rang Ehsan Company - Sima Choob Company - Khajeh Nasiruddin Toosi University

Occupational health

# HSE

## Some of the activities carried out by the company's experts in the field of environment

**Measurement, measurement and evaluation of environmental parameters in companies:**Farab Company, Fara Sahel Shipbuilding, Solan Sabz, Saba Niroo, Tirewater Khuzestan, Tehran Tobacco Complex, Saipa Press and Pasargad Oil, Carbon Tech Isfahan, Aresco Saveh. Tidewater Khuzestan, Tehran Tobacco Complex, Jahan Pars Company (Asaloueh), Saipa Press Company, Pasargad Oil Company, Dr. Obidi Pharmaceuticals, Nesab Niroo, Skaaf, Behesht Zahra, Shahid Rajaei Institute, Shahid Doran Industries and

**Environmental assessment plan, water pollution and industrial wastewater, sanitary wastewater treatment plant, DAF system, audit head, consulting, quantitative and qualitative analysis and establishment of waste management system:**Sepahan Shimi, oil pipeline, Iranian pharmaceuticals, Sanandaj Power Plant, Masjed Soleiman Hydropower Plant, turbine blade engineering and manufacturing; Biscolarj Company, Metro Company, Isfahan Machine Building, Mobarakeh Steel, Phase 6 of Asaluyeh, Tractor Manufacturing, Bandar Abbas Refinery, Neka Shipbuilding, Mahshahr Port, Power Generation, Saipa Diesel Company, Karoon Metal Structure, Dena Company, Mega Motor, Iran Khodro Company

**Operation of wastewater treatment plants (supply of skilled labor, materials and equipment) in companies:**Baft Azadi Company, Mega Motor Company, .Iran Radiator Company, etc

**Environmental Impact Assessment (EIA) in companies:**Abbas Abad Shahr-yar Industrial City Company, Mahmoud Abad Qom Industrial City Company, Qom Water and Wastewater Administration, Pars Chemical Company, East Azerbaijan and Ardabil Regional Water Organization, Falaq Line and Building Company, Mazandaran Province Gas Company, Sari Municipality, Azerbaijan Steel Company, Lavasanat Urban Development Company, .Saderat Bank, etc

**Design, supervision and implementation of wastewater treatment system - Design of wastewater collection network - Optimization of wastewater treatment system, installation of water consumption reducing devices in companies:**Malibel Saipa Company, Lian Moj Marine Products Factory (Bushehr), Bushehr Fish Powder and Oil Factories, Khosh Noosh Sari Beverage Industries, Shariati Hospital in Sari, Amir Mazandarani Hospital in Sari, Olive Oil Extraction Factory in Lushan Industrial Town, Imam Reza's Shrine Metro Station, Atka and Tehran Water and Wastewater factories

# SAFETY WORK

**Some of the activities carried out by the company's experts in the field of safety:** Consulting, designing and implementing the supply of equipment for automatic fire extinguishing systems based on water and foam- FM-200 gas- Fire and gas leak detection- Warehouse fire detection and extinguishing systems- Designing, installing and commissioning the fleet's automatic fire detection system in companies

**Some risk assessment projects:** Zarrin Khoshe Flour Company - Pars Chair Making - Sima Choob - Eftekhari Wood Industries - Iran Glass - Iran Khodro - Water and Wastewater District 2 Tehran - Water and Wastewater District 3 Tehran - Khajeh Nasiruddin Toosi University - Physical, Chemical and Ergonomic Risk Assessment of Noori Petrochemical Company

**Some of the activities carried out in the fields of evaluating earthing systems, cranes, elevators, escalators, tanks**

Khatam Al-Anbiya Headquarters - Niroo Gostar Institute - Eftekhari Wood Industries Sima Choob - Water and Wastewater of Tehran Region 2 and related areas - Roozbeh Hospital - Sarvak Azar Company - Water and Wastewater of Tehran Region 5 and related areas - Water and Wastewater of Tehran Region 6 and related areas - Omran Sanat Company - Iran Arvin Company - Pars Mehr Folad Company - Shahid Shorideh Specialized Medical Center - Vam Company, Fanap Company

## Partner Companies (Industry Debuggers Consortium)

How to cooperate	Organization/Company
Occupational medicine services	Baharestan Laboratory
Occupational medicine services	Safe life Khorram
Installation of fire alarm and extinguishing systems	Sarian New System
Occupational health tests	Environmentally friendly
Occupational health services	Aria Pajoohan Pars
Environmental services	Arian Fan Azma
Oil and gas	Dez Rood
Occupational health services	Environmental safety
Systems assessment and inspection	Taha process improvement

# Service Provision Licenses

- 1-License to provide occupational health services from the Ministry of Health (Deputy of Health, Tehran University of Medical Sciences)
- 2-License to be a certified laboratory by the National Environmental Organization
- 3-License to provide services for assessing harmful physical factors in the workplace from the Center for Occupational Health Protection and Training
- 4-License to provide services for assessing harmful chemical factors in the workplace from the Center for Occupational Health Protection and Training
- 5-License to provide building safety services from the Center for Occupational Health Protection and Training
- 6-License to provide electrical safety services from the Center for Occupational Health Protection and Training
- 7-License to provide safety training services from the Center for Occupational Health Protection and Training
- 8-License to provide crane - elevator and forklift testing and inspection services from the Center for Occupational Health Protection and Training
- 9-License to provide boiler and tank testing and inspection services from the Center for Occupational Health Protection and Training
- 10-License to provide services and solutions in systems from the Center for Occupational Health Protection and Training
- 11-License to provide consulting, evaluation and testing services for alarm and fire extinguishing systems from the Center for Occupational Health Protection and Training Occupational Health and Safety
- 12-License to combat insects and pests in public, domestic and industrial places from the Deputy of Health of Tehran University of Medical Sciences
- 13-License to provide services companies. Support and engineering technology in the repair and maintenance of buildings and machinery
- 14-License to provide services companies. Support and engineering technology in the operation of facilities
- 15-License to provide services companies. Support and engineering technology in public services
- 16-License to provide services companies. Support and engineering technology in kitchen and restaurant affairs
- 17-License to provide services companies. Support and engineering technology in printing and reproduction affairs
- 18-License to provide services companies. Support and engineering technology in the maintenance and services of green spaces
- 19-License to provide contractors' safety from the General Directorate of Cooperatives. Labor and Social Welfare of Tehran Province
- 20-License to publish Navid Occupational Safety and Health Magazine (HSE Specialized Magazine) from the Ministry of Culture and Islamic Guidance

## External collaborations

- 1-Fire Department and Safety Services
- 2-Occupational Health and Safety Research and Operations Center
- 3-Tehran-Shahid Beheshti and Iran Universities of Medical Sciences
- 4-Ministry of Labor and Social Affairs
- 5-National Nursing System Organization
- 6-Ministry of Industry, Mine and Trade
- 7-Social Security Organization
- 8-Khatam Al-Anbia Headquarters
- 9-Tehran Province Industrial Estates Company
